50th Annual Vital Statistics Conference

December 5 – 7, 2004

Renaissance Austin Hotel, Austin, Texas

The 50th Annual Vital Statistics Conference, co-sponsored by the Texas Department of State Health Services Vital Statistics Unit and the Texas Public Health Association, will focus on the many vital statistics changes in the year to come: online birth registration, development of an online death registration system, implementation of the new 2005 birth certificate, and new measures to ensure the security of vital records. The 2004 conference will also offer many opportunities to interact with statewide partners: facilitated lunch discussions on vital statistics issues at Monday lunch, the 50th Anniversary Vital Statistics Banquet on Monday evening, and the VS Office Tour on Tuesday. Make plans today to register for this informative, exciting event!
